SPECTACULAR AUCTION

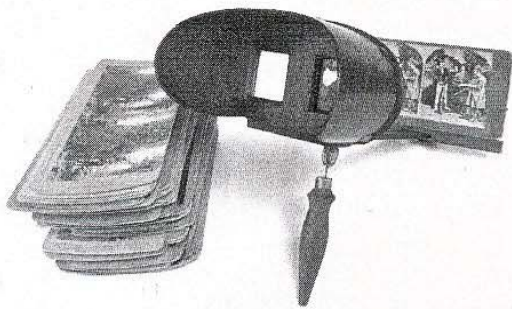

IN THE BEGINNING...

And on the sixth day, God said, "Let us make man in our image..."

Today we live in the age of and digital photography. But have you ever wondered how it all began? Do you remember roll film, snapshots, box cameras, glass plates, and tintypes?

Have you ever seen an ambrotype or a Daguerreotype? In his presentation about historical and vintage photography, Joe Cavallaro will discuss the history of one of mankind's greatest inventions, photography. He will bring many fine and interesting examples early photographs

and related objects. Have you ever wondered if your old photos are worth anything? Did you know some old photographs have sold for thousands of dollars, even millions?
